

Myanmar Micro, Small and Medium Enterprise Survey (2019) Report

Virtual Launch Ceremony was held

1st September 2020

Naypyitaw

Myanmar Micro, Small and Medium Enterprise Survey (2019) Report Virtual Launch Ceremony was held by Central Statistical Organization under the Ministry of Planning, Finance and Industry on 1st September 2020. The survey is supported by the Government of Denmark with technical cooperation provided by the United Nations University World Institute for Development Economics Research (UNU-WIDER) and the Development Economics Research Group (DERG) of University of Copenhagen.

Firstly, Director General of Central Statistical Organization, U San Myint delivered welcome remarks at the ceremony.

After that, H.E. John Nielsen, Ambassador of Denmark explained the significance of the report for sustainable and inclusive growth and Mr. Finn Tarp Professor of University of Copenhagen and UNU-WIDER introduced the survey and its report analysis.

Then, Director General of Central Statistical Organization, U San Myint presented the key findings of the report. This report will be supported to establish the Myanmar Enterprise Monitoring System.
