

**Opening ceremony of the training for Market Price Monitoring Mobile Data Collection
and handover of the Mobile tablets was held in Central Statistical Organization
19th August, 2020**

The opening ceremony of the training for Market Price Monitoring Mobile Data Collection (Supervisor Level) and handover of the Mobile tablets to Central Statistical Organization (CSO) from World Food Program (WFP) was held at the Office (32), Central Statistical Organization, Naypyitaw on 19th August 2020. The training aims to establish a mobile tablet collection system for price data to calculate Consumer Price Index, to save time using technology and to get the information timely and keep all information in one place. In this ceremony, U San Myint, Director General of CSO and Mr. Marcus Prior from Deputy Country Director of WFP were delivered the opening remarks and handover of the 100 Mobile tablets to CSO from WFP. The training was attended by a total of 25 participants, 15 supervisors from the regional office and 10 staff from the head office of CSO.
